What are the entry criteria?

All entries agree to follow the entry criteria outlined below:

- The company entering the competition must be the principal contractor on the site throughout the judging period
- Judges must be allowed reasonable access to carry out site inspections as necessary
- The judging period is 2 January to 11 May 2019
- As it is a competition, all judging visits during the judging period will be unannounced
- It is the responsibility of the entrant to ensure the site management are aware that they have been entered into the NHBC Health and Safety Awards
- Throughout the judging period, the site will need to have at least three of the following activities available for review:
 1. Groundworking
 2. Working at height
 3. Superstructure
 4. Internal work
- NHBC reserves the right to withdraw a site from the competition where the entry criteria are not followed or where standards of health and safety on site fall below the standard expected in the awards
- When entering the awards, you allow NHBC permission to feature your company information, site photos and entry details in any promotional materials produced in relation to the competition
- The decision of the judging panel is final
- We reserve the right not to give an award in any category
- All entries must be received by 17:00 on Friday 30 November 2018
- Entries must be submitted online at **www.nhbc.co.uk/hsawards**
- The site entered must not have reached completion by the end of July 2019.

All site award entries must be received by 17.00 on Friday 30 November 2018. Entries must be submitted at www.nhbc.co.uk/hsawards. If you have any queries, please call the H&S team on 01908 746113.
